The Patent Lawyer, October 2017:
The Software Challenge: How International Applicants can still Succeed in Obtaining Software Patents in the U.S.

Author(s): Benjamin M. Halpern, Brian A. Comack ,

Benjamin Halpern and Brian Comack from Amster, Rothstein & Ebenstein LLP discuss factors that should be considered when drafting software patent applications filed in jurisdictions outside of the U.S., which are intended for subsequent filing in the U.S.
