Law360 Reports on 2nd Circ. Says Macyâ€™s Didnâ€™t Infringe UK Retailerâ€™s TM

Law360, Los Angeles (June 21, 2017, 10:14 PM EDT) -- A Second Circuit panel agreed with a lower court Wednesday that Macy's "Maison Jules" clothing line doesn't infringe the trademark of U.K.-based clothing line Joules, saying the circuit's eight-part trademark-confusion test weighed in the U.S. retailer's favor.

Macy's is represented by Anthony F. LoCicero, Richard S. Mandaro, and Reena Jain of Amster Rothstein & Ebenstein LLP.
