

Sneak Peek Into Amster Rothstein's Licensing Executives Society's Annual Meeting Session - Machine Learning Tools Used for Monetization in AI

In this sneak peek into Amster Rothstein & Ebenstein's upcoming Licensing Executives Society's 2020 Annual Meeting session on October 18 on [how to identify, prepare and package data for monetization in AI](#), speakers Benjamin Beavan from Getty Images and Barry Brager from Perception Partners discuss bounding boxes, a machine learning tool it uses to help prepare and segment data for clients.

Our partner [Charley Macedo](#) will also be a speaker on the panel.
