

US Supreme Court Lanham Act case will hopefully return US trademark law to more stable foundations - World Trademark Review

Author(s): Charles R. Macedo, David P. Goldberg,

World Trademark Review posts article by Amster, Rothstein and Ebenstein's [Charles Macedo](#) and [David Goldberg](#) on the Court Lanham Act case.

"The US Supreme Court recently granted certiorari in a case that will hopefully settle conflicting Court of Appeals decisions on the cross-border reach of the Lanham Act, notes this week's opinion."
