

ARE Law Sponsors AUTM 2020 Virtual Software Course Webinar Series

AUTM

Amster Rothstein & Ebenstein LLP is excited to sponsor and to have partner Charley Macedo present opening and closing remarks at the virtual [AUTM 2020 Software Course Webinar Series](#) which will be held on Fridays in October, starting on October 2, 9, 16, 23 and 30. The programs will include:

- 10/2 - Open Source Software
- 10/9 - Patenting Software – Current Insights
- 10/16 - Licensing Models
- 10/23 - Dealing with Data
- 10/30 - Roundtable Discussion

In addition, Charley will speak on the Dealing with Data panel, which will explore the types of data typically used or generated at universities, its potential, its challenges and showcase some current best practices for dealing with data in licensing agreements and sponsored research agreements.
