

Law 360 reported on amicus briefs filed at the U.S. Supreme Court in support of granting the petition for certiorari to hear questions regarding the constitutionality of the PTAB proceedings including inter partes review in MCM v. Hewlett Packard Co.

Law360 reports on Amicus Brief Partner [Charles R. Macedo](#) and Associate [David Goldberg](#) submit to U.S. Supreme Court on behalf of New York Intellectual Property Law Association in MCM v. Hewlett Packard. The report quoted the brief as stating:

“If this petition is denied, the decision below will likely be left as the final word on the constitutionality of this increasingly important post-issuance administrative trial proceeding that has invalidated more than 10,000 previously-issued patent claims since it first became available in September 2012,” reads the association’s petition.
