

Mobile Device and Applications Key Laws Chart

- *Practical Law*, Resource ID: 4-616-2225

Author(s): Charles R. Macedo, Practical Law Intellectual Property & Technology

A chart listing key statutes and regulations that apply to mobile devices and mobile applications (apps). It provides an overview of the circumstances that trigger application of each statute or regulation as well as key requirements and restrictions.

This Chart provides a high-level overview of key statutes that mobile app developers, operators and other stakeholders, including businesses that use mobile devices, should consider when assessing their legal compliance obligations. This Chart does not address every law that may apply to mobile devices or apps or industry standards or guidance.
