

Practice Note: Patent Infringement Claims and Defenses (Updated for America Invents Act)

Practical Law Company, New York, (October 15, 2011)

Author(s): Michael J. Kasdan

A practice note discussing patent infringement claims and defenses in the US federal courts. It provides an overview of direct and indirect infringement claims, claim construction and key defenses under US patent law. It also includes a brief discussion of procedural considerations, remedies and alternative forums for patent dispute resolution.
